3. BACKGROUND AND LEGISLATION

Background

The Department of Education and Training (DET) provides per capita funding as a contribution towards the costs of the four-year-old kindergarten program. Income from other sources, primarily fees, is required to meet all the additional costs incurred by the service in the delivery of the children's program. In addition, the Kindergarten Fee Subsidy (refer to *Definitions*) enables eligible families to attend the four-year-old kindergarten program at minimal or no cost.

DET also funds eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs as outlined in the *Victorian kindergarten policy, procedures and funding criteria* (refer to *Sources*).

DET requires that funded services have a comprehensive written fees policy in place, and the content of this policy must be communicated to families. The policy must include a written statement about the fees to be charged, as required under Regulation 168(2)(n), and the payment process. All families must be informed of applicable term and annual fees at the time of enrolment. Services must also advise eligible families of the Kindergarten Fee Subsidy arrangements. The fees charged must comply with the *Kindergarten Fee Subsidy – Fees Policy* (refer to *Definitions*), and be responsive to the local community and the viability of the service. The *Victorian kindergarten policy, procedures and funding criteria* (refer to *Sources*) outlines the criteria to be covered in the policy.

Legislation and standards

- *Charter of Human Rights and Responsibilities 2006* (Vic), as amended 2011

AUTHORISATION

REVIEW DATE: MAY 2020

Attachment 1: Fee information for families 2020

1. Why fees are necessary

The Department of Education and Training (DET) provides per capita funding as a contribution toward the costs of providing a four-year-old kindergarten program. Services meet the balance of costs through charging fees and fundraising activities.

DET provides a Kindergarten Fee Subsidy (see below) that enables children from eligible families to attend a four-year-old kindergarten program free of charge, or at a minimal cost.

DET also provides funding to assist eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs.

Jack & Jill Beaumaris Kindergarten Inc. provides a range of support options to parents/guardians experiencing difficulty with payment of fees (see below).

2. How fees are set

As part of the budget development process, the Committee of Management sets fees each year for the programs of the service, taking into consideration:

- the financial viability of the service
- the level of government funding provided for the program, including the Kindergarten Fee Subsidy
- the availability of other income sources, such as grants
- the fees charged by similar services in the area
- the capacity of parents/guardians to pay fees
- reasonable expenditure in meeting agreed program quality and standards
- requirements of the *Kindergarten Fee Subsidy – Fees Policy* (details in the *Victorian Kindergarten Guide* available at www.education.vic.gov.au/ecprofessionals/kindergarten/)

Fees set for the year are only reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point.

3. Other charges

Other charges levied by Jack & Jill Beaumaris Kindergarten Inc. are included on the Statement of Fees and Charges. These include:

Kindergarten enrolment acceptance fee: This fee secures a child's place at the service and is payable on acceptance of enrolment. The fee is retained and is not refundable. Families eligible for the Kindergarten Fee Subsidy (see below) are not required to pay the deposit. Families experiencing hardship should also discuss any difficulties with the service.

Family Involvement Levy (FIL): This is a charge to encourage parents to assist in the running of the kindergarten. The FIL is \$100 and will be added to first term fees. The purpose of the FIL is to encourage all families to participate in the operation of the kindergarten, and as such will be refunded the \$100 at the end of the year following the family's participation in two of the designated activities at a minimum of two hours per activity (such as assisting at a cake stall, working bees, Bunnings BBQ etc).

4. Statement of fees and charges

A statement of fees and charges for four-year-old or three-year-old kindergarten will be provided to families on enrolment.

5. Fundraising

Not all service costs are covered by DET per capita funding and the fees charged. Fundraising is undertaken to meet the balance and/or pay for additional items for the service. While participation in fundraising is voluntary, the support of every family is encouraged. Fundraising activities are also an opportunity for families and communities to come together.

6. Subsidies

6.1 Kindergarten Fee Subsidy (four-year-old programs only)

The Kindergarten Fee Subsidy is provided by DET and enables eligible children to attend kindergarten free of charge or at minimal cost. Eligibility conditions change from time-to-time – contact the service for further information.

Families who may be eligible for the Kindergarten Fee Subsidy (four-year-old programs only) include those who are:

- Health Care Card holders
- Pensioner Concession Card holders
- Department of Veterans' Affairs Gold Card holders
- Temporary Protection/Humanitarian Visas 447, 451, 785 or 786
- Asylum seekers on Bridging Visas A–F
- Refugee and Special Humanitarian Visa 200–217
- Resolution of Status (RoS) visa, Class CD, subclass 851
- Aboriginal or Torres Strait Islander children
- triplets or quadruplets attending a funded kindergarten program in the same year.

Supporting documentation must be sighted by the service on acceptance of a place or on commencement in the program. Families are eligible for the Kindergarten Fee Subsidy for the full term in which their concession is valid. Contact the service for further information.

6.2 Early Start Kindergarten fee subsidy

Three-year-old Aboriginal and Torres Strait Islander children and children known to Child Protection are eligible to attend a funded early childhood program that is planned and delivered by a qualified early childhood teacher free of charge. The service receives funding for children who meet the eligibility criteria. Contact the service for further information.

7. Payment of fees

The Committee of Management will regularly review payment options and procedures to ensure that they are inclusive and sensitive to families' cultural and financial situations.

Fees will be invoiced to parents/guardians directly and must be paid by the date indicated on the invoice. Each invoice will be accompanied by payment instructions. The Kindergarten's preferred payment option is via direct deposit to the Kindergarten's bank account with the Bendigo Bank.

The first term's fees must be received in full prior to the child commencing at the service. For children enrolled after the commencement of a term, a pro rata invoice will be issued and must be paid in full within 14 days of the child's commencement at the service. Receipts will be provided upon request.

A late payment fee of \$10 per week will be applied when fees are not received by the due date.

Parents/guardians experiencing difficulty in paying fees are requested to contact the Bookkeeper to arrange a suitable alternative payment plan. The *Privacy and Confidentiality Policy* of the service will be complied with at all times in relation to a family's financial/personal circumstances.

8. Due date for fees in 2020

Term 1 fees are payable at or before the 2019 Annual General Meeting. Fees must be paid by the date indicated on the invoice.

Term 2 Fees are due on 27th March 2020.

Term 3 fees are due on 26th June 2020.

Term 4 fees are due on 18th September 2020.

Unpaid fees

If fees are not paid by the due date, the following steps will be taken.

- An initial reminder letter will be sent to parents/guardians with a specified payment date, along with a request to contact the Bookkeeper if they are experiencing any financial hardship. A late payment fee of \$10 per week will be applied when fees are not received by the due date.
- Where payment is still not received, families will be invited to attend a meeting with members of the Committee to discuss the payment of fees and to establish a payment plan.
- Failure to attend the meeting and continued non-payment may result in a second and final letter notifying parents/guardians that the child's place at the service may be withdrawn unless payment is made or an approved payment plan is entered into within a specified period of time.
- The Committee of Management will reserve the right to employ the services of a debt collector.
- If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided with 14 days' notice in writing.

9. Refund of fees

If a family becomes eligible for the Kindergarten Fee Subsidy during a term, a full refund of the applicable term fees (and fee deposit, where appropriate) will be provided.

In any other case, fees are non-refundable (exceptional circumstances may apply – these are at the discretion of the Committee of Management). There will be no refund of fees in the following circumstances:

- a child's short-term illness
- public holidays
- family holiday during operational times
- closure of the service for one or more days when a qualified educator is absent and a qualified reliever is not available

- closure of the service for staff training days
- closure of the service due to extreme and unavoidable circumstances.

In addition, there will be no refund where a family chooses not to send their child to the program for the maximum number of hours for which they are enrolled.

10. Children turning three during the year of enrolment

For a three-year-old group enrolment, your child must have turned three years of age by 30 April in the year attending but cannot attend until their 3rd birthday. If a child has not turned three at the commencement of term 1 and the kindergarten is fully subscribed in the three-year-old group, the full term fee is payable even though the child will not commence until they turn three. If a child has not turned three at the commencement of term 1 and the kindergarten is **not** fully subscribed in the Three-year-old group, a \$100 non refundable acceptance fee is required to be paid, and providing that the kindergarten is still under subscribed at the time the child turns three, the family will be charged pro-rata term fees from the child's commencement date. If the three-year-old group starts to fill up prior to the child turning three, the family will be advised that fees need to be paid from that date in order for the spot to be held.

11. Support services

Families experiencing financial hardship often require access to family support services. Information on these services is available from the kindergarten service provider and a list can be supplied to those families who require it.

12. Notification of fee changes during the year

Fees set for the year would only be reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point. Parents/guardians will be notified one term in advance of any required fee increase and will be offered the option to request a payment plan.
